MD3CE - Introduction

Introduction

MD3CE - Teaching profile

Programme structure

Le stage de recherche s'effectue sous la responsabilité d'un copromoteur ou d'un conseiller, membre académique ou scientifique permanent de l'UCL, qui est le répondant du doctorant vis-à-vis de son institution d'origine.

Sauf cas particuliers, appréciés par la faculté, le séjour du doctorant à l'UCL ne peut être inférieure à 6 mois fractionnables sur une durée maximale de 4 ans.

MD3CE Detailled programme

The programme's courses and learning outcomes

For each UCLouvain training programme, a reference framework of learning outcomes specifies the competences expected of every graduate on completion of the programme. You can see the contribution of each teaching unit to the programme's reference framework of learning outcomes in the document *"In which teaching units are the competences and learning outcomes in the programme's reference framework developed and mastered by the student?"*
