Q2

Enseignants	Panin Amma ;
Langue d'enseignement	Anglais
Lieu du cours	Louvain-la-Neuve
Acquis d'apprentissage	
Modes d'évaluation des acquis des étudiants	The structure of evaluations may change according to the health situation, but will likely consist of oral presentations and a written project.
Méthodes d'enseignement	Seminar-based discussions of frontier research. Papers to be discussed will be assigned ahead of time.
Contenu	Experimental Economics Experiments are increasingly ubiquitous in economics — in the lab, in the field, on the internet, in government. This seminar will focus on the design of experiments and the interpretation of the data that they produce. The discussions will pay particular attention to the role experiments play in advancing theory, and the different econometric framing that may be desirable when researchers design their own data generating processes.
Ressources en ligne	Slides, homeworks, exercises, compulsory readings will be available on the course webpage on Moodle UCL ( <a href="http://moodleucl.uclouvain.be/">http://moodleucl.uclouvain.be/</a> ).
Faculté ou entité en charge:	ECON
