Evaluation methods :	Final validating assessment through live consecutive and simultaneous performances in front of a professional jury composed of both teachers from the teaching unit and outside professional interpreters.
Teaching methods :	Attendance classes to consolidate the consecutive and simultaneous techniques. The classes consist in hands-on exercises in consecutive and simultaneous, followed by live comments of the teacher on the students performances. Stress is put on in-depth comprehension of English, covering all its nuances and shades of tones, the mastery of the gist of the speech, the quality of the target language (French) to a high level of accuracy and communication.
Content :	The speeches to be interpreted deal with inter alia in-depth and various issues of topicality (economy, environment, international institutions, etc.) The students will be faced with native speakers speeches especially, as well as various recorded or live speakers.
