Content	<p>These Workshops aim at introducing the students to specialised translation from Spanish into French of texts relating to the fields of law, economics, technology and/or science.</p> <p>The Workshops are designed to familiarize the students with key concepts in each field as well as to the relevant terminology, phraseology and style. They consist in repeated translation exercises under the guidance of the teacher. There is a special focus on documentary research, an essential step to grasp specialised subject matter and the ways in which it is generally expressed. Some translation exercises will involve computer-assisted translation tools such as concordancers.</p> <p>Using machine translation software during a translation exercise or exam is forbidden. Such software may only be used as a starting point for a post-edition exercise given by the teacher.</p>
