

Due to the COVID-19 crisis, the information below is subject to change, in particular that concerning the teaching mode (presential, distance or in a comodal or hybrid format).

3 credits	30.0 h	Q1
-----------	--------	----

Teacher(s)	Delghust Jean-Luc ;Peters Charlotte (coordinator) ;Piwnik Marc (coordinator) ;
Language :	English
Place of the course	Louvain-la-Neuve
Aims	<i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
Evaluation methods	<p>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</p> <ol style="list-style-type: none"> 1. The written exam assesses whether all course objectives have been reached. 2. The continuous evaluation is based on students' completion of their preparation work on MoodleUCL and on paper, as well as on their participation in classroom exercises. 3. The resit exam covers all course material and its final grade does not take continuous evaluation into account.
Teaching methods	<p>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</p> <p>Student learning is entirely active and interactive. Students have extensive preparation work to complete on MoodleUCL and on paper before every class, based on texts and audio files introducing new lexical or grammar items. Students apply the new language in written and oral exercises. Teachers give the students feedback on their productions.</p>
Content	<ul style="list-style-type: none"> • Language proficiency: general and specific vocabulary, grammar, pronunciation • Autonomous reading and listening comprehension on topics relating to the course LEPL1402 Informatique II • Common language functions used for group interactions and in collaborative work • Oral and written communication practice on general, technical, or scientific topics • Mini-presentations on technical topics
Inline resources	On MoodleUCL: the course <i>LANGL1282 Anglais pour informaticiens II</i>
Other infos	<p>Course attendance is compulsory.</p> <p>Due to logistical constraints linked to Covid a good number of classes will be taught online via Teams.</p>
Faculty or entity in charge	ILV
