Q2

Teacher(s)	Amougou Joseph ;Chemouni Benjamin ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The course analyses the social challenge of development by examining the complex relations between liberalisation, growth, poverty and inequalities from a development perspective. A comparative approach is used to investigate issues resulting from globalisation in various regions of the world and to identify common issues of development in northern, southern and eastern regions.
Learning outcomes	<p>1 The aim of this course is to make students aware of general issues in development policy, through critical analysis of the key issues stimulating the current debate on globalisation.</p> <p>-----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
Faculty or entity in charge	ESPO
