Methodology of language and letters studies

5.00 credits	30.0 h	Q2

Teacher(s)	Baruh Thomas ;
Language :	French
Place of the course	Bruxelles Saint-Louis
Learning outcomes	**At the end of this learning unit, the student is able to :** - identify the nature of the information provided in a bibliography (name of the author, name of the scientific editor, title of the journal, series, etc.) and write a bibliographical record; - make appropriate use of the basic tools used in Romance and Germanic studies; - understand and produce university-level texts in their discipline.
Evaluation methods	The assessment consists of two parts - a personal written assignment due on the first day of the session; - a written application exam. The assessment procedures (conditions for success, etc.) and the instructions for the written assignment are explained at the beginning of the course. The assignment is worth 50% of the final mark. The written exam is worth 50% of the final mark. The use of artificial intelligence tools is prohibited.
Teaching methods	The course alternates between lectures and exercises. Students are regularly asked to work on various documents during class sessions.
Content	The course consists of two parts: - Training in bibliographical research: presentation of research tools in Romance and Germanic studies, documentary research, bibliographical referencing, critical approach to bibliographical resources, definition of plagiarism, etc. - Analysis and practice of university-level texts: learning how to write scientific summaries, introductions and conclusions, etc.
Bibliography	Plusieurs références bibliographiques seront données tout au long du cours. Several bibliographical references will be given throughout the course.
Faculty or entity in charge	PHLB
