 to write simple connected texts on topics which are familiar or of personal interest. to write personal letters describing experiences and impressions. to write formal letters. to take messages communicating enquiries, explaining problems. 		 to write personal letters describing experiences and impressions. to write formal letters. 					
to summarize accurately, report and give his/her opinion about accumulated factual information. Level B1 of the Common European Framework of Reference for Languages.		to take messages communicating enquires, explaining prosecution					

	Code and Culture Vocabulary : consolidation of basic and economic vocabulary. Company of the Code and Indian of the Ind					
	 • Grammar: consolidation of the specific structures of the German language. • Culture: in the development of all the above-mentioned skills the course will aim at making the students aware of German cultural aspects and develop their capability to assess the values transmitted by these cultures through different domains (social, political, economic, athletic,). 					
Evaluation methods	Several marks come into account for the final assessment: continuous assessment (written and oral tests) January mark:					
	 50% oral test (roleplay, bucketlist and prononciation) in week 14 50% continuous assessment (different tests, details are in weekschedule on moodle). 					
	Continuous assessment contains: vocabulary of the book, grammar and oral tests					
	June mark:					
	 50 % oral test in week 13 (job interview -with cv, letter, joboffer and presentationvideo, bucketlist) 50% continuous assessment (different tests, details are in weekschedule). 					
	Continuous assessment contains: vocabulary of the book, grammar and oral tests					
	The tests for the continuous assessment can only be retaken in case of an absence justified by a (medical) certificate.					
	If the student fails in January, he can pass the oral exam of December again in the 13th week in the second term, he can't retake the continuous assessment of the first term.					
	In September , the student has to pass the tests of December and June (vocabulary of the book 30%, grammar 30% and oral exam (40%) (roleplays and job interview -with cv, letter, joboffer and presentationvideo); there is no more mark for the continuous assessment.					
	These exam and teaching modalities could be transposed to online teaching and learning according to the evolution of the health situation					
Teaching methods	Each topic includes receptive and productive activities aimed at consolidating and broadening vocabulary and grammar. Particular emphasis on grammar points, likely to cause difficulties to French-speaking learners. Self tuition: vocabulary and grammar exercises.					
Content	The activities based on authentic documents (reading and listening comprehension) concern economic topics and help the student to develop the communicative competences which will be needed in the course of Bac 3 or in later professional life. Basic vocabulary and structures are trained, reinforced and expanded via written and oral exercises (role-plays, interviews, conversations in small groups of 2 or 4,).					
Other infos	Groups of 25 students maximum Course hours: 60 hours in classe or online Self-study: 60 hours The teacher is available during her office hours and can be contacted by e-mail.					
	English-friendly course: course taught in French but offering facilities in English
