Q2

Teacher(s)	Grevisse Benoît ;
Language :	French
Place of the course	Louvain-la-Neuve
Learning outcomes	
Content	This course is devoted to the emergence of new journalistic practices, with a particular focus on professional identities, hybridization and the political function of journalism. It proposes an approach and an analysis of the new interactions between journalism and audiences as well as the economic models of public interest information.
Faculty or entity in charge	COMU
