Teacher(s)	Leclercq Jean ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	This course provides the disciplinary foundations of rhetoric as well as those of the art of argument and the art of persuasion, so that every student can learn to present and defend an argumentative discourse. The aim is to examine the tools of rhetoric, in philosophy and more generally in the history of ideas. Drawing on a number of canonical examples from Antiquity to the present day, the aim is to question the practice of argumentative discourse and provide the means to analyze it.
