

Teacher(s)	De Smet Anne (coordinator) ;
Language :	French
Place of the course	Louvain-la-Neuve
Prerequisites	<i>The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.</i>
Learning outcomes	
Evaluation methods	Certifying FR / SP consecutive interpreting exam at the end of the term. Attendance record, homework preparation and personal achievements are part of the on going formative evaluation
Teaching methods	Summary and data recovery practicals of progressive difficulty in order to polish the students' ability to analyse, see the big picture, anticipate (predictive analysis) and memorise throughout active hearing and efficient note-taking in order to recover the data in an accurate Spanish. Simulation of the round-table-framework for the students to take part in the consecutive exercises. The focus is set on developing active hearing in order to enable the student to recognise link words and to ensure that the message, expressed in FR to be delivered by the students in SP, remains coherent. Registers and nuances will be analysed. Partners will evaluate one-another as well as by the lecturer.
Content	FR/SP consecutive exercises, with note-taking about general topics. Progressive difficulty and length focussing on the communicative skills and targetting the audience. Speeches will be given either by the lecturer, guests or the students. Identifying link words and writing glossaries.
