Introduction à la conservation et restauration du patrimoine

16.00 credits

2024

128.0 h

Q1

Language :	French				
Place of the course	Autre site				
Main themes	Introduction to conservation-restoration of heritage buildings. Methodological and basic technological notions in four structured sections: general and historical concepts, art history, archaeological aspects and engineering. The course aims to allow students from different educational backgrounds to reach the same level of competence. Essential conceptual notions to be considered in heritage matters and presentation of current conservation-restoration issues.				
Learning outcomes	 At the end of this learning unit, the student is able to : 1. Reach the common required competencies regardless of their previous academic levels and build up a fundamental reading background. 2. Form a critical approach and to comprehend the specific issues of conservation-restoration of cultural immovable heritage. 				
Evaluation methods	Written and/or oral exam assessed by a jury.				
Teaching methods	Lectures, conferences and practical exercises.				
Content	 Vocabulary and typologies of immovable heritage. Research methods and the exploitation of documentaries. Methodology, concepts and elementary techniques relative to building archaeology and the archaeology of subsoil. The significations of immovable heritage including different cultural approaches. The genesis and evolution of the notion of conservation and the concepts of restoration. The main institutions dealing with heritage, international and national organisations and relative policies, reglementation and legislation. Integrated conservation. The economical aspects of heritage. Current heritage issues: authenticity, strategies before, during and after armed conflicts, environmental concerns, historical urban landscapes. 				
Inline resources	Each coordinator of educational activites communicates learning material via the website for the degree : masterpatrimoine.be				
Bibliography	Les ouvrages imposés sont mis à la disposition des étudiants au Centre d'Information et de Documentation de la Paix-Dieu et/ou dans les bibliothèques des institutions partenaires. The imposed reading is at students' disposition in the Information and Documentation Centre at the La Pa Dieu site and also in partner universities' libraries.				
Faculty or entity in charge	FIAL
