

The version you're consulting is not final. This course description may change. The final version will be published on 1st June.

3.00 credits	15.0 h	Q1
--------------	--------	----

Language :	French
Place of the course	Louvain-la-Neuve
Main themes	- The themes are various and defined according to the expertise of the teachers invited. The selection is based on the criteria of complementarity with the teaching already offered in the different programs concerned and expected contribution of international experts.
Learning outcomes	<p>At the end of this learning unit, the student is able to :</p> <p>1 During each academic year, the Jacques Leclercq Chair invites four internationally recognised teachers or re-searchers to give a lecture of 15h each on their field of expertise. The students thus benefit from specific teach-ing provided by recognised experts. It gives them the possibility of discovering new scientific horizons and, subsequently enlarge and deepen their knowledge and skills.</p>
