

The version you're consulting is not final. This course description may change. The final version will be published on 1st June.

5.00 credits	30.0 h	Q2
--------------	--------	----

Language :	French
Place of the course	Louvain-la-Neuve
Main themes	In the era of internationalisation of legal sources, one of the core difficulties for practitioners being the identification of the relevant legal source a great deal will be dedicated to the hierarchy of norms among international instruments. The most important legal acts will be presented and their scope of application will be analysed. The course will focus on conflicts of jurisdictions and covers the question of international jurisdiction as well as the recognition of foreign judgments. It will also covers typical procedural issues such as the service of documents, the taking of evidence, the payment order, the European enforcement title etc.
Learning outcomes
