

The version you're consulting is not final. This course description may change. The final version will be published on 1st June.

5.00 credits	30.0 h	Q2
--------------	--------	----

This learning unit is not open to incoming exchange students!

Language :	French
Place of the course	Louvain-la-Neuve
Learning outcomes	
Evaluation methods	The grades will be composed of two elements: - class discussions; - assignment (to hand at the end of the semester).
Teaching methods	The course is theoretical and interactive. Students will have to prepare each course by reading sets of readings. These will be discussed in class. The teacher will guide the discussions. The discussions will create the content of the course.
Content	In this course, the core elements of international political economics will be investigated. It will cover the following issues: - History of international political economics; - Globalisation and governance; - Theoretical perspectives on international political economics; - International market and trade; - Power and hegemony.
Other infos	The course is exclusively in French.
Faculty or entity in charge	PSAD
