This biannual learning is being organized in 2025-2026

This learning unit is not open to incoming exchange students!

Language :	French
Place of the course	Louvain-la-Neuve
Main themes	In order to achieve this end, - some significant text from Old Testament narrative literature will be studied, with an explanation of the exegetical method and an illustration of the interest of exegetical basic tools; - some scientific literature about the texts will be read; - anthropological and theological aspects of the analysed texts will be developed, and their particular contribution in the context of biblical thought enlightened.
Learning outcomes	At the end of this learning unit, the student is able to : 1 - understand the main procedures of biblical exegesis and apply them on a narrative text of the Old Testament ; 2 - situate the anthropological and theological contribution of significant texts of the Old Testament narrative literature ; 3 - understand and criticise scientific works in Old Testament exegesis.
Evaluation methods	Written assignment: exegetical paper.
Teaching methods	Study of the course provided on Moodle, then individual work on a biblical passage.
Content	Les "Dix Paroles" et les récits de la Torah. Les "Dix commandements" (ou "Dix Paroles") sont souvent considérés sans faire de lien avec leur contexte littéraire, mais dans le texte biblique ils s'insèrent dans des récits. Ce cours étudie non seulement les deux textes clefs (en Exode 20 et Deutéronome 5) mais aussi leurs liens avec le contexte littéraire.
Faculty or entity in charge	TEBI
