

The version you're consulting is not final. This course description may change. The final version will be published on 1st June.

7.00 credits

15.0 h + 60.0 h

Q1

Teacher(s)	Bärenwald Dirk (coordinator) ;
Language :	Deutsch
Place of the course	Louvain-la-Neuve
Prerequisites	For allophone students with a competency level of B2 in both French and German
Main themes	Translating texts from the fields of economics, law, technology and/or science
Learning outcomes	<p>At the end of this learning unit, the student is able to :</p> <p><u>Contribution of teaching unit to learning outcomes assigned to programme</u> This unit contributes to the acquisition and development of the following learning outcomes, as assigned to the Master's degree in translation 1.1, 1.3, 1.4, 1.5 4.1, 4.2, 4.3, 4.4, 4.5, 4.7</p> <p><u>Specific learning outcomes on completion of teaching unit</u></p> <p>1 On completing this unit the student is able to:</p> <ul style="list-style-type: none"> · Undertake documentary and terminological research relevant to the source text employing rigour and critical acumen; · Structure and utilize documentary and terminological research findings; <p>Transpose a specialized text in German into written French paying attention to meaning and register and the terminology specific to the domain in question.</p>
Evaluation methods	<p>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</p> <p>During the term : formative assessment of the student's work. January and August/September exam sessions : written exam (summative assessment). Students will sit one written exam per translation workshop (i.e. economic, legal, and scientific and/or technical); each exam will consist in the translation of one or several texts on matters in connection with the topics dealt with over the course of the term. The overall mark will be calculated by averaging the three marks. In case of an overall fail mark, the failed parts will have to be retaken during the August/September exam session. In case of an unjustified absence, students will have to retake all three translation workshops during the August/September exam session. Students who have failed the teaching unit when the academic year ends will have to retake all three translation workshops (economic; legal; scientific and technical) the following year. The use of machine translation is strictly forbidden.</p>
Teaching methods	<p>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</p> <p>Lectures and exercise sessions.</p>
Content	<p>These Workshops aim at introducing the students to specialised translation from French into German of texts relating to the fields of law, economics, technology and/or science.</p> <p>The Workshops are designed to familiarize the students with key concepts in each field as well as to the relevant terminology, phraseology and style. They consist in repeated translation exercises under the guidance of the teacher.</p> <p>There is a special focus on documentary research, an essential step to grasp specialised subject matter and the ways in which it is generally expressed. Some translation exercises will involve computer-assisted translation tools such as concordancers.</p> <p>The use of machine translation is strictly forbidden.</p>
