Teacher(s)	de Nanteuil Matthieu ;Ferreras Isabelle ;Perez Sepulveda Sebastian Alonso (compensates de Nanteuil Matthieu) ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	- The genesis and pathway of the sociology of work (abandonment of the de-terminist paradigm, development of the subject-based matrix, and slippage from an issue centred on work situation to one of employment). - Transformations of the organisation of production (the division of labour at the heart of the socio-technical approach, the crisis of Taylorism, and new forms of work organisation). - The enterprise and its logics of action. - A societal analysis of kinds of employment and of skill; the sociology of unemployment. - Identities in the workplace, and forms of insertion. - Departures from industrial society.
Learning outcomes	**At the end of this learning unit, the student is able to :** 1 - To focus on the analytical programmes and proposals that make up the cor-pus of the sociology of work and employment. - To make a methodological comparison between the various (monographic, sectoral, typological and societal) approaches to empirical research that constitute this corpus. - To acquire a heuristic understanding of forms of employment at the level of Belgian society.
Bibliography	**Documents de travail –** Les supports des cours magistraux sont disponibles sur Moodle. Pour entrer pleinement dans le cours et mener l'enquête de terrain, il est fortement recommandé de se procurer, par groupe, un exemplaire de chacun des deux ouvrages suivants : · Ferreras, Isabelle, Battilana, Julie, Méda, Dominique (eds) (2020) *Le Manifeste Travail, Démocratiser, démarchandiser, dépolluer* . Paris : Le Seuil. · De Nanteuil, Mathieu (2016). *Rendre justice au travail. Ethique et politique dans les organisations,* Paris : PUF. Pour leur culture générale, les étudiant.es sont également incités à lire : Fjeld, Anders et de Nanteuil, Matthieu. *Le monde selon Adam Smith. Essai sur l'imaginaire en économie* , Paris, PUF, 2022. Les étudiants sont également invités à enrichir leur réflexion en lisant attentivement les textes scientifiques également disponibles sur Moodle.
