This learning unit is not open to incoming exchange students!

Language :	English
Place of the course	Bruxelles Saint-Louis
Learning outcomes	
Evaluation methods	The learning outcomes are evaluated in a written assessment.
Teaching methods	Teaching is done in person, based on a MOOC on Asylum and Refugee Law, which is available on the edx platform. Every student is expected to actively participate in the class. Students are encouraged to obtain the MOOC certificate, which is made available to them free of charge.
Content	The course focuses on Asylum and Refugee Law in its international and regional dimensions, with dedicated attention to the norms governing refugee protection in Africa. However, the perspective is broadened beyond the law to include the political and social issues raised by International Refugee Law.
Inline resources	The MOOC <i>Asylum and Refugee Law</i> is available in English on the edx platform and can be followed in English by students.
Bibliography	Bibliographie complète dans le MOOC et ouvrage de base : J.-Y. Carlier et S. Sarolea, <i>Droit des étrangers</i> (Bruxelles, Larcier, 2016)
Faculty or entity in charge	DRTB
