Q1

This learning unit is not open to incoming exchange students!

Language :	French
Place of the course	Bruxelles Saint-Louis
Learning outcomes	
Evaluation methods	<p>- Online test on moodle (50%) - Written work during the year (50%)</p> <p>Results partially obtained during the January session (e.g., if the student only completes the online test or submits only some of the case commentaries) will not be carried over to the second session. In case of failure in December, the student must, for the second session, retake the online test and re-submit a new version of the written work required in accordance with the instructions of the first semester.</p> <p>The use of artificial intelligence during assessments in this course is governed by the rules outlined in the General Regulations on Studies and Examinations, available on the university's website. Unless explicitly stated otherwise by the course instructor, the use of AI is prohibited during assessments.</p>
Teaching methods	Powerpoint-based online and in presence course Exchange with students Asynchronous activities
