Place of the course	Louvain-la-Neuve
Learning outcomes	<p>At the end of this learning unit, the student is able to :</p> <p>1 The case studies examined in this course will enable the groups of students to analyse and comment in depth on real business cases. Examining these real company situations described in case studies should enable students to create links between the more theoretical concepts and the concrete and pragmatic fields of application that these concepts permit them to approach. These case studies will significantly encourage the process of knowledge appropriation in which "know-how" is a crucial dimension.</p>
