Teacher(s)	Masson Olivier ;
Language :	French
Place of the course	Louvain-la-Neuve
Learning outcomes	
Evaluation methods	The assessment will take the form of a written examination organised in a session.
Teaching methods	The course will alternate between participatory theoretical lectures, visits, individual exercises, collaborative sessions and group feedback.
Content	The course will attempt to answer the question posed in its title based on a series of proposals constructed by linking concrete human settlements (or parts of projects), concepts from the humanities, and themes (time, the world, society, etc.). It will draw on reference theories, including the Theory of Mediation, a general anthropological theory, which will be explored according to its various hypotheses.
Inline resources	Course resources will be posted on the course's Moodle platform.
Faculty or entity in charge	LOCI
