Q2

**This learning unit is not being organized during this academic year.**

**This learning unit is not open to incoming exchange students!**

Language :	French
Place of the course	Louvain-la-Neuve
Learning outcomes	
Evaluation methods	<p>Students are assessed face-to-face (or remotely if conditions so require) on the basis of :</p> <ul style="list-style-type: none"> <li>• a written examination ;</li> <li>• or possibly another method that will be communicated to students if conditions so require.</li> </ul> <p>Details of the arrangements are given on the course's Moodle site and/or in the teaching contract.</p>
Teaching methods	<p>The courses will be mainly face-to-face, with the possibility of distance learning if conditions so require. Ex cathedra lectures are planned, but a great deal of importance is attached to interaction with and between students.</p> <p>Readings are given to deepen certain points of the programme and fuel discussion.</p> <p>Details of the arrangements are given on the course's Moodle site and/or in the teaching contract.</p>
Content	<p># To familiarise students with ecological thought in its complexity and its different currents and to understand its multiple roots.</p> <p># To clarify the different theoretical, ethical and political aspects of ecological issues, the tensions they express and the socio-economic, political and cultural actors who produce discourses and develop practices around these issues.</p> <p># To provide theoretical and empirical reference points and analytical tools enabling students to critically apprehend current economic and social issues as well as their own relationship to the ecological question.</p>
Inline resources	Course materials and information can be found on the course Moodle site and/or in the course contract.
Bibliography	Des textes d'auteurs et autrices classiques seront communiqués en début de cours et tout au long de celui-ci, ainsi que des ouvrages de référence sur divers aspects de la pensée écologique. Une attention particulière sera donnée à l'accessibilité (en ligne notamment) des textes.
