

The version you're consulting is not final. This course description may change. The final version will be published on 1st June.

5.00 credits

30.0 h

Q2

Teacher(s)	Ait-Chaalal Amine ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The major themes of the course are : the theory of international organisations, the United Nations Organisation (main organs, peace-keeping missions and specialised institutions), politico-military organisations and regional organisations.
Learning outcomes	<p><b>At the end of this learning unit, the student is able to :</b></p> <p>1 At the issue of this course, the students will be able to understand the politico-institutional working structures and to analyse the main modes of action of contemporary international organizations.</p>
Evaluation methods	Synthesis questions via an oral or written exam.
Content	<p>Content : The part on " the theory of international organisations " raises the question of the definition and classification of international organisations. We then turn on the means of the organisations (competencies, legal entity, organs, finances, international officers). The part on the UN will be divided in three chapters: 1) the institutional approach : history and UN Chart, aims and principles of the UN, admission and members, analysis of the main organs (General Assembly, Security Council, Social and Economic Council, Secretariat, International Court of Justice; 2) questions related to international peace: peace-keeping operations; 3) specialised institutions (UNESCO, WHO, ILO, financial and economic institutions). The part on politico-military organisations deals with the NATO and the part on regional organisations in the Organisation of American States / OAS and of the African Union/AU (the organisations selected may change). Method: lectures (open to discussion), analysis and discussion of a collection of readings and, if possible, organisation of conferences with international experts.</p>
Bibliography	<ul style="list-style-type: none"> <li>• Syllabus avec dossier de lectures.</li> </ul> <p>Une bibliographie indicative sur les sujets traités sera fournie lors des premières séances.</p>
Other infos	Essential foundations of the analysis of international relations.
Faculty or entity in charge	PSAD
