The programme's courses and learning outcomes

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the competences expected of every graduate on completion of the programme. You can see the contribution of each teaching unit to the programme's reference framework of learning outcomes in the document "*In which teaching units are the competences and learning outcomes in the programme's reference framework developed and mastered by the student?*"

The document is available by clicking [this link](#) after being authenticated with your UCLouvain account.

SPHM2M1 - Information

Access Requirements

In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail
Decree of 7 November 2013 defining the landscape of higher education and the academic organization of studies.
The admission requirements must be met prior to enrolment in the University.

Teaching method

Ce programme spécifiquement conçu pour des personnes qui travaillent, alterne exposés théoriques et études de cas afin de permettre la compréhension concrète des problématiques liées à la science politique.

Le programme attire un public de formation et d'horizons professionnels très variés. Les confrontations de pratiques et de point de vue divers, tant entre étudiants et professeurs, qu'entre étudiants entre eux, offrent un enrichissement de la perspective des étudiants sur les différents domaines liés au programme.

Les étudiants sont invités, dans différents travaux individuels ou de groupe, à porter un regard réflexif sur leur pratique professionnelle.

Evaluation

The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".

Les méthodes d'évaluation sont diverses : réalisation de travaux individuels et/ou de groupe , passage d'examens écrits ou oraux, réalisation d'un mémoire.
