MD3CE - Introduction

Introduction

MD3CE - Teaching profile

Programme structure

Le stage de recherche s'effectue sous la responsabilité d'un copromoteur ou d'un conseiller, membre académique ou scientifique permanent de l'UCL, qui est le répondant du doctorant vis-à-vis de son institution d'origine.

Sauf cas particuliers, appréciés par la faculté, le séjour du doctorant à l'UCL ne peut être inférieure à 6 mois fractionnables sur une durée maximale de 4 ans.

MD3CE Programme

The programme's courses and learning outcomes

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.

MD3CE - Information

Evaluation

The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".
